

America's Leisure Products Superstore

May 4, 2005

To Whom It May Concern:

LeisureMax recently used the services of Advantage Systems to install a showroom security system in our Palm Desert location. We shopped numerous companies in our search for this professional service and we are very satisfied with the work they have completed for us.

We would highly recommend Advantage Systems to another company and we would use them again.

Sincerely,

Marty Wolter  
President of LeisureMax
